## Emergency medical service / Vagtlægen

Phone: **3869 3869**

### Opening hours

Emergency medical service is open weekdays from 16:00 to 08:00.  
Saturdays, Sundays and holidays throughout the day.

Emergency medical service is the General Practitioners 'on call center' and is for the treatment of sudden or progressive disease.  
All contact for emergency medical service must be by telephone. You will get to talk to a doctor.  
Always have your yellow Health Insurance card ready when you call.

If you become ill consider when, if you can wait until your own doctor opens. It is your own doctor who knows you best. Prescription Renewal should always be done by your own doctor.
