

Subject Choice Form Grade 9 – 10 / MYP 4 - 5

Dear Parent and Student,

In High School **9th graders** take the following required classes:

- English Language and Literature
- Individuals and Societies
- Science
- Math
- Design
- Physical and Health Education

In addition, all 9th graders will choose:

- an Arts class (Drama, Music or Visual Art)
- a level of Danish language
- a Language B class.

10th graders take eight subjects. All 10th graders take the following year long required classes:

- English Language and Literature
- Individuals and Societies
- Mathematics
- Physical and Health Education

In addition, they will choose

- one Arts elective or Product Design
- a Science
- a Language
- an additional elective: a second Science, a second Language, or Digital Design

Students who are considering taking Computer Science in the Diploma Programme are recommended to take Digital Design as their elective in 10th grade.

Subject Choice Form Grade 9 – 10 / MYP 4 - 5

The goal in choosing a foreign language in the IB programmes is attaining fluency. This means that study of a chosen foreign language should be sustained throughout secondary schooling whenever possible. To help attain the best results long-term in the programme, we strongly recommend that student continue in the language that they have studied the longest.

Please note that the classes offered are contingent on course selection numbers. Classes which are under-subscribed may not be offered.

When filling the form for Grade 9 choices, please remember the following points:

- You must choose **ONE** subject from Danish group
- You must choose **ONE** subject from the Language B group
- You must choose **ONE** subject from the Art group

When filling the form for Grade 10 choices, please remember the following points:

- You must choose **ONE** subject from the Language group
- You must choose **ONE** subject from the Science group
- You may **only** choose **ONE** subject from the Arts/Product Design group
- Additionally you must choose **ONE** subject from the Additional Subject group

If you have any questions or concerns, please make an appointment to see the MYP Coordinator. Email is also a very effective means of asking questions. (maria.lamminaho@cis.dk)
