

Below is a list of items your child will need from the first day of school to bring and to keep at school. Please write your child's name on everything. It helps us to help them find and keep their things organised.

1.	<b>Two (2) full sets of extra clothing</b> (include underclothes, shirts, pants and socks) to be kept at school. Please check and update your child's spare clothes regularly and according to the season.	
2.	<b>A full set of rain gear</b> (rain pants, rain jacket and rain boots). We go outside in <b>all weather</b> ; snowsuits, hats and gloves will also be required in colder months.	
3.	<b>Comfortable slippers for indoors</b> that stay on children's feet (indoor shoes). Children should be able to independently put these on easily.	
4.	<b>Two boxes of wet/ baby wipes.</b>	
5.	<b>A reusable bottle of water</b> (to be brought home everyday for washing), that your child can open <i>independently</i> .	
6.	<b>A pair of headphones</b> that is comfortable for your child to use with computers.	
7.	<b>A package of play dough.</b>	
8.	<b>PE shoes</b> (indoor or running shoes), <b>T-shirt</b> (or jumper, long sleeves T-shirt, sweatshirt, etc) and <b>PE pants</b> (shorts, leggings, sweatpants, etc). Clothes should be comfortable and packed in a <b>PE bag</b> (a cloth bag with string), to be kept at school that your child will carry to the gym.	
9.	<b>A set of family pictures</b> to share with the team, as this will help us to establish conversations with your child about your family.	
10.	Every school day: <b>a healthy snack</b> in a separate container, <b>and a lunch box</b> , that your child can open <i>independently</i> .	

Thank you! We look forward to welcoming you and your child.

The BRIDGES Team
